2017

EXPERIENCE

UX Designer

Sept 2020 – Dec 2020

Niantic

- ▶ Created flows and screens for 3 upcoming features in Pokémon Go
- ▶ Pokédex revamp – Redesigned the Pokémon cataloging system to increase usability and engagement.
- ▶ Friends help guide – Designed a flow to educate new players on the game’s social system.
- ▶ Adventure anniversary – Design experiences for players’ anniversary, integrating social and emotional aspects to celebrate the player.
- ▶ As an intern, presented work during weekly design reviews with the UX team, and showcased final projects to the entire company.

UX Apprentice

Feb 2020 – Aug 2020

Treehouse

- ▶ Created UX designs for mock applications for web and mobile and conducted user tests and interviews.
- ▶ E-Commerce – Redesign and rebrand of an online T-shirt store.
- ▶ Grocery App – Designed a mobile app to simplify grocery shopping especially at a time of crisis (COVID-19).
- ▶ Email Campaigns – Created a site for designing email campaigns.
- ▶ Peer reviewed projects for UX students in the program.

Freelance Designer and Photographer

Nov 2016 – Present

- ▶ Creating new logos and refreshed brands for various businesses.
- ▶ Working directly with clients in scheduling sessions and photographing their portraits.

Design Intern

Jul 2017 – Aug 2017

Redefine

- ▶ Collaborated with the design director to create logos, brochures, menus, and advertising boards for local businesses within the San Francisco Bay Area.
- ▶ Clients include San Francisco Unified Lions Club, Century 21, An Hong Express, and Stix Restaurant.

VOLUNTEERING

Volunteer

Jun 2019

SF Design Week

- ▶ Collaborated with event coordinators to organize and setup each event during the two-week design summit.
- ▶ Worked directly with lead designers to arrange design pieces for the opening event, and helped with receptions to ensure guests were checked-in in a timely manner.
